Dear Community Friends,

On May 3, 2025, Children's House Montessori School will host its 28th Annual Dinner and Auction in an outdoor setting at the school, similar to our event last year. Our event will be held on our beautiful lawn and patios and will include appetizers, dinner and dessert plus representatives from some of the area's finest wineries, a silent auction, and a very exciting live auction.

This event has been possible in the past because of tremendous community support. Thanks to generous donations from businesses like yours, our children have many learning opportunities they wouldn't have otherwise. As a small alternative school, it is important to keep tuition costs affordable to most families and yet offer our students the best programs possible. This fundraiser really makes that happen.

Once again, we are asking for the support of our community in the form of auction donations. Each donor will be represented on an auction table as well as in our online auction venue and/or our auction booklet, which is circulated to the 200 attendees and 100 families at the school. If your item is in our live auction, it will also be presented on stage by our host.

We are very thankful for your consideration. Should you decide to contribute, one of our volunteers would be happy to pick up your donation or it may be delivered or mailed to the school's address above. We request that you kindly respond by sending us an email with any information about your contribution.

With warm regards,

*Children's House Montessori School, Parent-Staff Fundraising Committee:
