

**Summer 2026**  
**For 3, 4, and 5 Year Old Children**  
**June 15-August 7**  
**9:00-1:00**

**SESSION 1: June 15 - June 26**  
**EXPLORE THE OCEAN with Valentina**

Join us for some summer fun while we explore the ocean. We will have fun learning about some of the marine animals that live in the sea, including whales, sharks, and dolphins. We will all discover our favorite fish! We will do some ocean art and special projects. This session will be filled with friends, fish, and fun!

**SESSION 2: June 29 - July 10**  
**HANDS ON SCIENCE with Tori**

Let's experiment together! During these two weeks children will have the opportunity to learn about science through hands-on activities and experiments. Our experiments will be exciting and colorful as we watch water travel, discover magnetic interactions, and see some colorful chemical reactions take place in our "magical milk" experiment!

**SESSION 3: July 13 - July 24**  
**MEN'S WORLD CUP SOCCER with Tori**

This summer session will be filled with learning about the world's most popular sport! This year the World Cup is hosted by the United States, Canada and Mexico. We will have fun exploring the different countries playing in the tournament, watching highlights and learning the rules of this beautiful game! We will even have a few drills outside and practice our own skills. Let's get excited about soccer!

**SESSION 4: July 27 - August 7**  
**EXPLORING INSECTS with Tori**

Come join us as we explore the wonderful world of insects! Where do spiders live? What do ladybugs eat? How do bees spend their days? We will learn fun facts, practice insect activities and make some beautiful insect art. Let's explore the world of bugs!
